Steps in completing your Year 10 subject selection process:

1. Access the Year 9 and 10 Subject Course Guide on the school website for subject information.

3. Complete your subject selection online on OneSchool (oslp.eq.edu.au) and hand this form in.

Year 10 subject selection instructions:

English, Mathematics, Science and History (Modern) are compulsory for all students.

- You are required to select **four** elective subjects from any learning area.
- Some subjects offer two units – Unit 1 and Unit 2. Unit 1 subjects only display the subject name (e.g. Dance = Dance Unit 1). You can study either Unit 1 and Unit 2, only Unit 1 or only Unit 2, except for Japanese and German where Unit 2 can only be selected if Unit 1 has been also been selected.
- **In Humanities**, electives - Ancient History and Economics and Business - are provided through this process. A separate process for Geography and Civics and Citizenship will occur later in term 4. Additional electives may also be available at this time.

Incompatible subjects:

- Athlete Development Program: You must select the Athlete Development Program subject plus the "Unit 2" of that subject. You cannot take HPE and ADP as a combination.
